Dear parents,

Greetings!

Carmel Convent Sr. Sec. BHEL. Bhopal has witnessed a unique scenario of a series of achievements and celebrations on the jubilant occasion of the golden jubilee of the school. It was indeed an year of amazing grace and incessant blessings from the Gracious Lord who nurtured and nourished this tiny sapling planted in the fertile soil of BHEL, Bhopal, in 1968. We are overwhelmed at the bountiful mercy and loving kindness of the Almighty who deigned to bestow His countless bliss and unfathomable care upon our institution especially during this Golden Jubilee Year. It was an year of outstanding performance both for our mentors and students in the National and International arena. We hope and pray for His bounty and clemency on all our forth-coming events and performances.

Parents' support and encouragement along with students' co-operation and participation are vital components of educational growth. Parents have always been proactive partners in all our endeavors. We extend our sincere gratitude and appreciation for the trust extended to us to shape your child's future. This is an opportune moment to acknowledge your relentless support and good will during the last academic session.

It is my privilege to recap and update you briefly on the following matters.

School website: The school website received a profuse response from the parents and we recommend you to make use of it for your transactions and update of your child.

Escort Card: Escort card, introduced is mandatory to collect your wards from the school during working hours.

Revision of fees : Due to inflation in economy, there may be a marginal revision in the school fee for the new session. We look forward to your cooperation in this regard.

All the parents are requested to send their wards by school bus. Van transport facility for the students is discouraged by RTO and educational authorities.

Summer Break: The school will recess for summer vacations on 28th April 2018 and will re-open on 18th June 2018. (Timing 7.20 A.M. to 10.30A.M.)

Once again I thank you for your collaboration and I look forward to a mutually rewarding relationship and productive school year.
